

## Holy Spirit: Remembrancer

*Image: Waiting for the Word on Flickr*

O Holy Spirit, Giver of Life,  
Illumine my sin,  
Which lurks and creeps in darkness:  
Give me your life,  
Which swirls and leads into light.

O Holy Spirit, Inspirer of Languages,  
Release my tongue  
From cynical cursing,  
To praise you, Father and Son,  
With eloquent wisdom.

O Holy Spirit, Remembrancer,  
Refresh my memory,  
With words of Moses and Jesus,  
To help me follow your ways  
And imagine your future.

O Holy Spirit,  
Cascading water, coursing down the mountainside,  
Whirling wind, sweeping up the valley,  
Flaming fire, crackling in the hearth,  
Soothing oil, seeping into cracks of an old cricket bat,  
Fill me.
