

Leaves of Life

***Leaves of Life* is an exciting worship resource for churches, children's groups and schools to run between Easter and Pentecost. It can help you to:**

- encourage more children to take part in worship
- communicate the Eastertide messages of new life
- give children a voice to express hopes and concerns
- respond to children's prayers with follow-up community action

Jointly developed by a group of children's work advisers, The National Worship Development Officer for the Church of England and The Children's Society, *Leaves of Life* has been specially designed as a resource for you and your parish.

We hope you find the web site

http://www.childrenssociety.org.uk/all_about_us/who_we_are/our_church_partnership/leaves_of_life/4646.html inspiring and it provides you with all the information you require to run a *Leaves of Life* event.
